LSB WAS		X
Novice WAS		X
Oscar WAS		X

Pactor WAS		X
Phone WAS		X
PSK31 WAS		X
QRP WAS		X
SSTV WAS		X
USB WAS		X

As you can see from the above chart, free users will be able to track the Mixed WAS, print the application and WAS record sheet, and view/print more information about the WAS program. Paid users get these features, as well as 31 additional awards and the capability of working with multiple files ~ thereby adding the capability of tracking the more exotic WAS awards, i.e. Novice-CW-15 Meters, 80 Meter RTTY, etc.

73,
